

# PORTFOLIO FORM.

## | DESCRIPTION:

For this project, you will be picking out your "Portfolio Form". Your Portfolio Form is what contains your portfolio pages. It's the outer shell of your portfolio. This portfolio form will be used to display your work in interviews and otherwise. It's essential that the form is professional and shows off your ability to make good decisions as a designer.

Review per-approved Forms in link below. If you select a form not listed there it must be approved with the professor.
